WEST COAST TUNA STACK \$19.99

Fresh, bright, and stacked just right. Sushi-grade red tuna layered with avocado, mango, and scallions, drizzled in sriracha mayo and served with crispy wonton chips. A little raw, a little spicy, and definitely not as innocent as it looks.

HOT HONEY CAULIFLOWER BITES \$18.99

Crispy tempura cauliflower tossed in sweet hot honey, topped with scallions and served with a tangy parsley aioli for dipping. Proof that even something wholesome can get a little dirty when the heat kicks in.
